

I Want to Help Upgrade the Khandallah School Pool Building and Keep the Pool Operating!

By donating you will not only help to achieve the goal of upgrading our community pool, but you will cement your place on the side of the pool and in local history!

Serena Hastie, who is a supervisor at Easyswim and also a designer, is creating a fantastic mural to grace the side of the pool for the years to come. For every donation over \$55 your name (or a suitable message) will appear inside the shape of a fish or starfish or turtle on the mural.

**The more people who donate a sea creature, the larger our mural will be!
Let's cover the side of the pool – it will look fantastic!**

If you have any questions please ring
