### Term 3 Home & School Updates

We have some important information for you to know about, so please read on.

### THANK YOU'S

Thank you to Annette Linklater for the proceeds from the sales of the Phoenix Trading. The sales of the products have netted the school an extra \$150!

Refreshment sales from the Strike concerts held last week netted \$275. Thanks to all who contributed to making the wonderful eats, and to those who consumed them!

### CPR COURSE

The CPR Course was held on Tuesday evening at the School. Eleven parents and friends went to the course. It goes without saying that the instructions were invaluable. Thanks to all the attendees and the instructor Adrian!

### OLD COINS

The sound of money jingling! Yes, I will let you all know next newsletter how much was raised through this, not the \$29 million that the RBNZ said is still out there (*we wish!*), but not a bad effort all the same. Watch this space.

### PHOENIX TRADING

Thank you to all the families who joined in on the Phoenix Trading Fundraiser. You will have your deliveries by now and we hope you are enjoying this gorgeous product! Annette has had a sneak preview at the Christmas 2009 range and apparently it is AMAZING. Look out for Annette's stall at the KauKau challenge on 1 Nov or call Annette directly to see a catalogue at 479 0455.

### WORKING BEES

Thank you to Rooms 8, 10, and 16 for recently completing their working bee efforts. The school grounds are looking FANTASTIC, so keep up the great gardening!

September Working Bees are just around the corner for Rooms 5, 7, 9, 12, and 2.

Start sharpening up your spades!

### LIBRARY WEEK

This week is National Library Week! And to help keep the Khandallah School Library well resourced, the Home & School committee has donated \$1000 to the Library. The money we donated is the revenue from the Sausage Sizzle fundraisers earlier this year.

### KAUKAU CHALLENGE

The Parent Reps have received their class' food and game stalls. Your Rep will get in touch with you shortly to ask for your help on the day.

Start cleaning out wardrobes and garages because we need your old clothing, books, and toys. Please, nothing dirty, incomplete, or non-functioning. We will start a collection of these items in a couple of weeks.

In weeks 8 and 10 of this term, we will be starting a lolly and bottle collection for prizes, the tombola, and games for on the day.

The website for KauKau Challenge has been revamped to provide registration with a credit card for everyone's convenience.

As to date we have received 5 applications for tabletop stalls and we would love to have more.
