

Home & School Newsletter

Term 4, 19 November 2009

This is the last Home and School newsletter for the year.

TRANSFER OF FUNDS

It is very fitting to start the last H&S Newsletter with this update. The Home and School Committee has just transferred \$40,000K to the Board of Trustees to be used for the fitting out of the ICT suite. This is the end result of our years' worth of efforts, so thank you all once again for your support and help with fundraising. The ICT suite will provide a fantastic opportunity for OUR children.

GALA RAFFLE WINNERS

- 1st prize: Cheryl Moon (Golf with Christian Cullen at Kapiti golf course)
- 2nd prize: Linda Greville (Museum Hotel)
- 3rd prize: Darren Roberts (Orpheus Choir and dinner at Logan Brown)

SCHOOL DISCO THANK YOU'S

We want to thank Judy Chan and Sue Varney for organising the School Discos over the last couple of years. Both Judy and Sue have always shown a high level of commitment and enthusiasm in the role. Unfortunately Judy's son is moving on from Khandallah and so will she. H&S is fortunate to have already found a replacement, Sarah Stevens, who will be starting next year.

OLD COINS

As an ongoing effort to continue to catch any of those old coins you may have yet to discover in your possession, we have added a blue piggy in the school office for you to drop them off at any time! ☺

MOVING ON

It is with great sadness that two of our valuable H&S committee members are leaving us at the end of this year: Shaun Maloney who has been with us for 3 years, and Katrina Magee for 2 years. Their efforts and dedication to the cause has been terrific. Thanks to both of you and feel free to come back anytime.

Pip Lee has already volunteered to fill one of these roles already. WELCOME TO THE TEAM, PIP! And, for anybody out there who would be keen to join the Home and School Committee for next year, please come along to our first meeting next year (see calendar of events)
