

LIBRARY ROSTER TERM 1 2010

Please find below the Term 1 library help roster. Thank you again for volunteering to help out. It's really appreciated. Please check the roster and mark it in your diary. If you are not available on your rostered day please **make your own swap** with someone else on the roster. The phone numbers are included.

Duty starts at 9am as the library is closed to classes for the first half hour of each day to assist with Library management. It is usually only for an hour or so depending on volume of returns. For those of you who are new to the job, training will be given on the day you do duty. It's very easy to learn!

If you would like to receive your roster by email please email library@khandallah.school.nz and I will add you to the list. The roster can also be found on the school website:
