

OUR LIBRARY

Khandallah School appreciates the involvement of parents in various ways within the school.

We have a roster of parents who help in the library from Monday to Friday. The work involves returning books through the computer system, shelving books, mending and book preparation. There are one or two mothers on duty from 9a.m. until approx 10am Mon to Fri. Training is given by the Librarian on the job, and you are very welcome to stay for a cup of tea or coffee with the staff at morning teatime if you would like to. This is a pleasant way to meet other mothers and get to know the school.

Please indicate how often you would be able to help. Some parents find once a month, or fortnight is possible. Others will find once a term is enough. Please return the slips to the library or email to: library@khandallah.school.nz by **Mon 8th Feb**. The roster will be sent home to you through your child, or preferably by email. **If you need to make a change to your rostered time, please arrange your own swap with someone else.**

Many thanks
